

Expect the best!

At Greiner Construction, Inc., our standards aren't just high. They're impeccable. That's why businesses large and small trust us to carry out their interior architectural visions, on time and on budget.

Specializing in high-end interior construction for over 12 years, we make it our mission to ensure you always receive the outstanding service, value and results you deserve. Each time. Every time. From project conception to project completion.

Our people make the difference.

Talent. Experience. Skill.

Renowned for our interior construction expertise, our meticulous attention to detail is what sets Greiner Construction apart. See for yourself how we exceed your expectations in craftsmanship, quality and service.

Professionals you can count on.

The Greiner Construction team is made up of high-caliber experts—people who know what it takes to do the job right. We employ our own carpenters and finishers, experienced, polite professionals who take pride in completing quality work for you.

Our office staff, too, makes sure your project is handled properly—from the big picture down to the last detail. So you can have confidence your job is under control. And you'll get ready answers if questions arise.

Interior Improvements and Expansions

Quality. It permeates everything we do for our clients. When your project demands personal attention and perfect results, trust the experts in high-end interior construction. Trust Greiner.

Expertise and service. You can have it all.

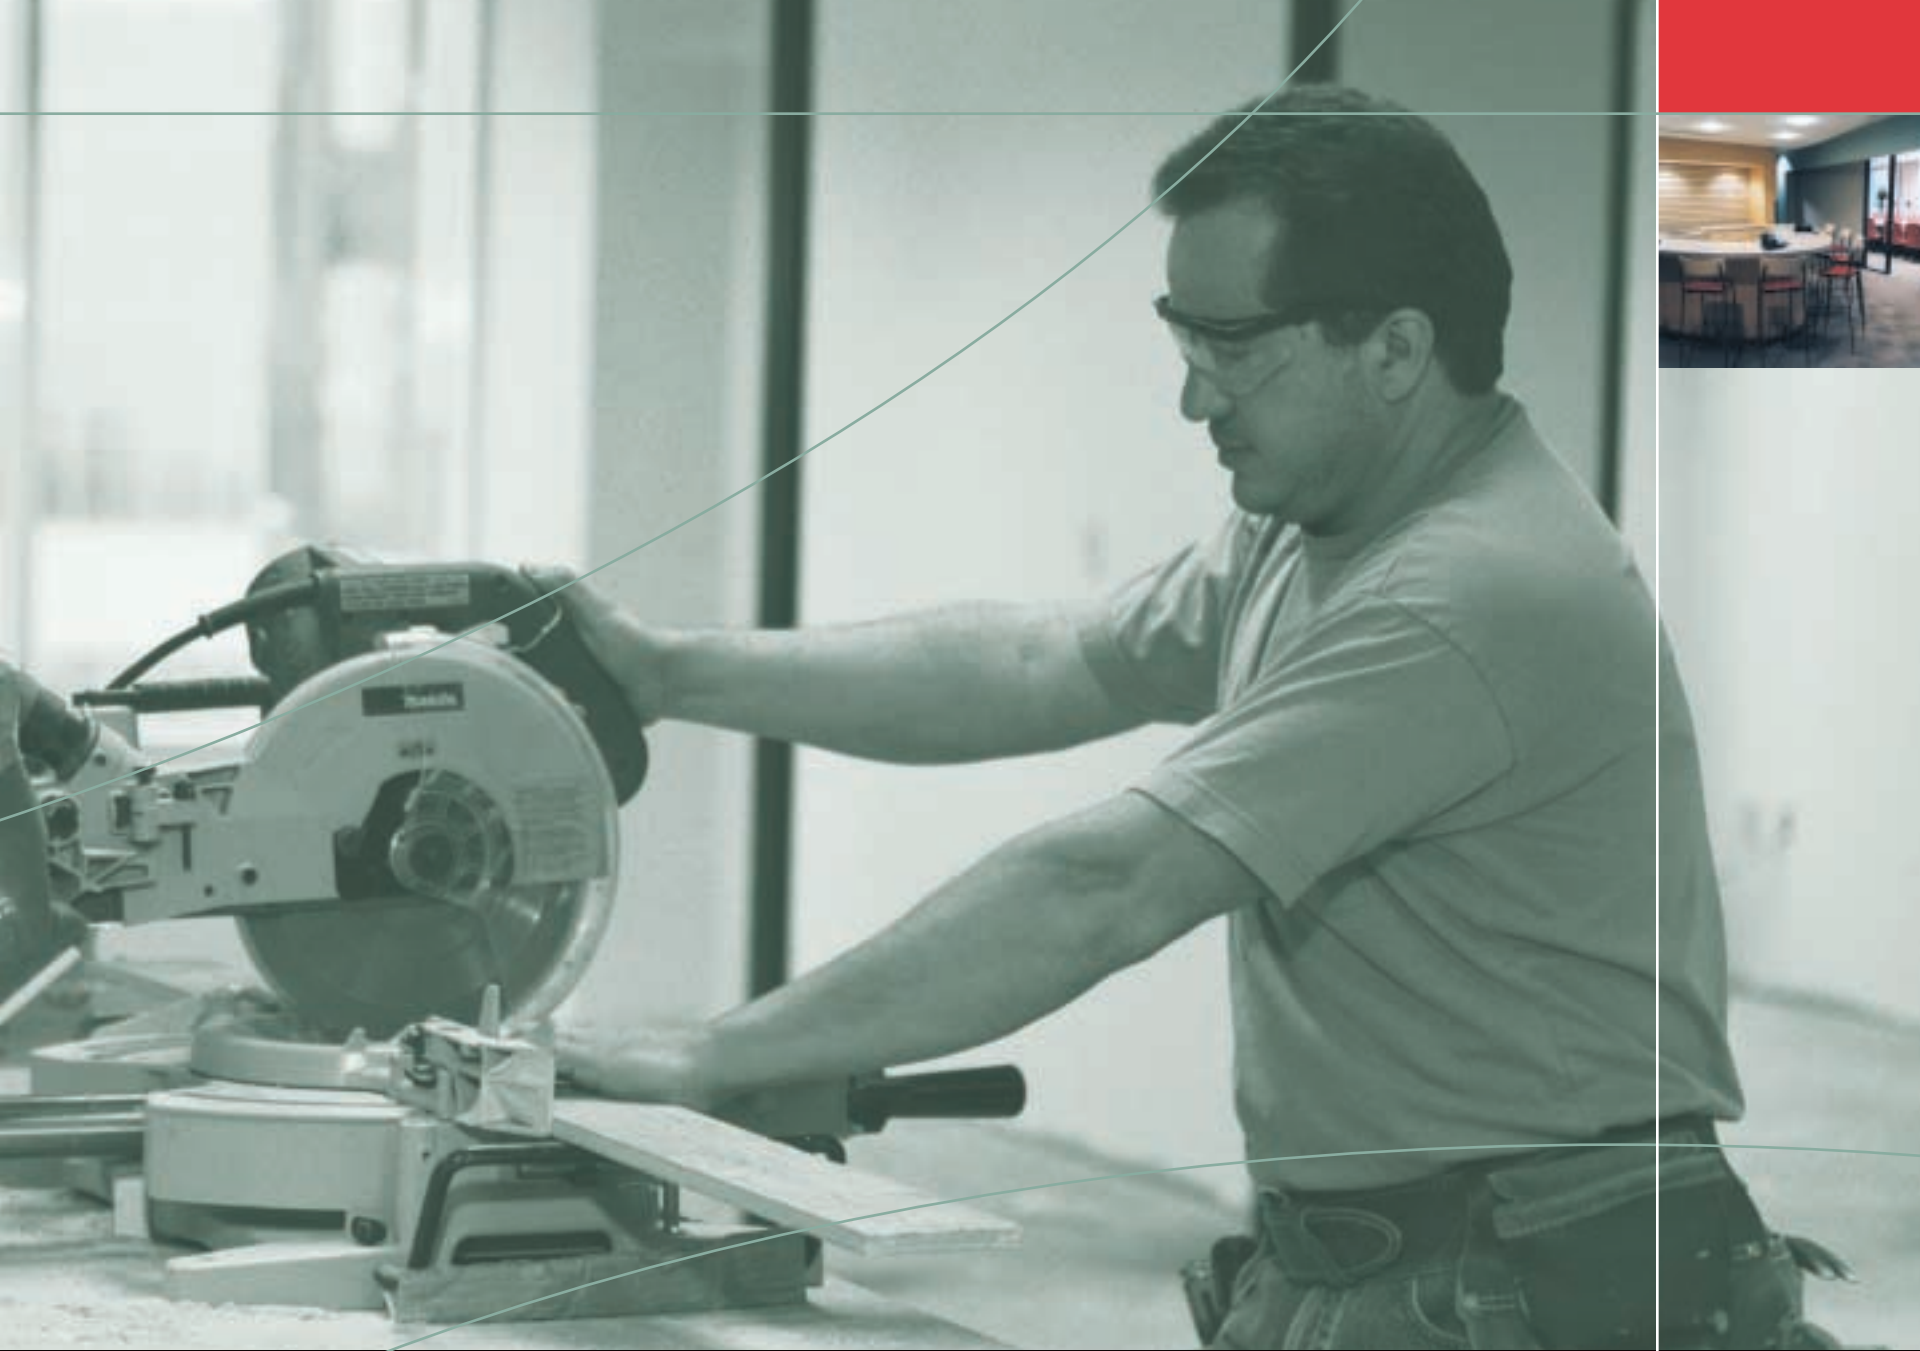

With Greiner Construction, you get the expertise of experienced professionals, combined with the close, personal service of a trusted friend. Our support team is here to serve. Give them a call with questions, status inquiries, or special requests. We'll even provide you with a direct line to the owner. Now that's service!

And with a crew dedicated solely to maintenance work, we remain "At Your Service" long after your project is complete. Whether you need simple, routine maintenance or a major emergency repair, help is just a phone call away. Regardless of whether or not we did the initial construction, Greiner's "At Your Service" department is on call 24 hours a day, seven days a week, ready to respond to your needs.
